REAL OPPORTUNITY FOR INVESTMENT HERE

Perhaps a smaller offering, but certainly a higher quality set of bulls and females is being offered in this Arkansas State sale this year. If you are looking for either top-notch Shorthorns or Polled Shorthorns, you will not find better breeding or individuality elsewhere this fall. I suggest that every prospective buyer check this catalog carefully because there are both bulls and females that warrant your careful attention. This is the first sale that will be held in the new White County Fairgrounds. Former Arkansas state sale buyers have profited and here is another real opportunity.

YARNELL'S ROAN VIOLET BUD 2D — Another K F Marshall Rodney — Mercury cross. This heifer we think is the best individual we are selling this year. She is a typical heifer, short legged, with an excellent head and a typical brood cow type. We sold a full sister in the Arkansas Sale October 1952 to Mr. Franklin Bolton, Searcy. Her dam is a granddaughter of that famous bull, Edellyn Campeon Mercury. Vaccinated for Bangs. Tested for T. B.
